Student Convoy to a Factory in Tenth of Ramadan City on October 26, 2019

Report on the Student Convoy to a Factory in Tenth of Ramadan City on Saturday, October 26, 2019

Tanta University

Community Service and Environmental Development Sector and professors from Department of Chemistry organized and supervised a student convoy to visit a factory on Sunday, October 27, 2019 for 35 students from Department of Chemistry who are specialized in Special Chemistry and who study the course of Chemical Dyeing.

The visit started at 8: 30 a.m. to Eshrim Net Group for Textile, Dyeing and Preparation in Tenth of Ramadan City. There was previous coordination between the Faculty and the company. Students paid for the trip.

Professors from Department of Chemistry at the Faculty, namely Prof. Abdel Baset Shokr, Prof. Mohammed Saked and Prof. Mohammed Mubarak, travelled with the students and supervised the convoy. They watched the stages of preparing fabric for dyeing at the company and dyeing the final product with different dyes. Students visited the exhibition of products made by the company.

Faculty Vice Dean for Community Service and Environmental Development
