International Awards for Research in Leukaemia
Sponsor: Lady Tata Memorial Trust
http://www.ladytatatrust.org/StaticPage/Awards/0

ABSTRACT:
The Lady Tata Memorial Trust invites applications worldwide for Awards to individuals to support research on leukaemia. Awards are restricted to studies of leukaemogenic agents, and the epidemiology, pathogenesis, immunology and genetic basis of leukaemia and related diseases.

Eligibility:
Awards are open to suitably qualified investigators of any nationality. Priority will be given to those intending to move to other centres with a view to establishing scientific collaboration between laboratories.

Citizenship or Residency: Unrestricted

Requirements: Graduate Student; Ph.D./M.D./Other Professional

Funding type:
- Post-Doctoral Fellowship
- Junior Scholarship
- Young Researcher Award
- Institutional Research Grant

Amount note:
Awards are tenable for one year. On an exceptional basis, an award for a second year can be made; however, clear achievements in the previous year must be demonstrated in the request for an additional award.

An M.Phil./Ph.D. studentship will normally be granted for two years. Renewal for a third year on the strength of 18-month progress reports will only be considered for studentships.

Awards in recent years have been between £25,000 and £35,000 per annum.

With my best wishes
Dr. Mohamed Labib Salem

Prof. of Immunology
Director, Competitive Project unit
